What is peplegroups.info?

This is a collaboration initiative of Southern Baptists and other Great Commission Christians to mobilize churches in discovering and engaging unreached people groups with the gospel. **The goal is church planting among these unreached people groups in North America, leading to global gospel impact.**

How can the initiative help you?

Visit peplegroups.info for more info.

Become Aware ...

Who are these strangers next door? Where did they come?
What language do they speak? Where do these people gather?
These are a few questions that PeopleGroups.info can help you answer.

Get Involved ...

Help clarify the picture of unreached people groups in your locale.
Become an editor or moderator for data (registration required).
Challenge your church to pray for unreached people groups in your area.

Live Missions ...

Become equipped in ways for naturally encountering people groups, finding people of peace, dealing with spiritual warfare, making disciples and planting churches among unreached people groups. **For more information or to request training, email info@peplegroups.info.**
